Re: William Morales v. City of New York et al.
07CV8457

Your Honor,

This is a request for a sixty day extension of discovery in the above referenced case, and an adjournment of the final pretrial conference and JPTO deadline; this is the second request to extend discovery, and my adversary, Assistant Corporation Counsel Hugh Zuber, joins in the request.

The attorneys have attempted in good faith to save costs and time in the matter by negotiating a fair settlement of the matter, but it is appearing less likely than we had anticipated.

The case involves allegations of an assault on an inmate by correction officers at Rikers' Island; the facility investigation and medical records have been exchanged; defendants still must provide the investigation from the Investigations Division, and depositions and a site visit are still to be conducted.

The requested extension would result in an August 18, 2008 discovery deadline and a September 18, 2008 JPTO deadline.

Sincerely Yours,

Andrew B. Stoll
